

Assets & Liabilities Balance Sheet

Church / Ministry

Name _____
City _____
State _____

Please take a moment to fill out the balance sheet below. In the assets category, enter any accounts, properties, or equipment your ministry currently owns (savings accounts, buildings, etc.). In the liabilities category, include money your ministry owes (vehicles you are making payments on, church loans, etc.). When you've entered all the assets and liabilities, subtract your total liabilities from your total assets to determine your ministry's net assets.

Assets (What Your Ministry OWNS)

Current Assets (Funds that represent cash or cash equivalents)

Checking \$ _____
Savings \$ _____
