

403(b) Investment Options

When it comes to saving for retirement, everyone has their own unique goals and circumstances. That's why we provide a variety of funds to choose from. You can select the investment option(s) that best fit your retirement objectives and make changes to your selections at any time by contacting our office.

Vision Fund

CEP's Vision Fund provides loans to Assemblies of God churches and ministries nationwide.

When you choose to invest in the Vision Fund, your money will be used to support ministry expansion. Our Vision Fund offers a variable rate that is reviewed quarterly and updated on our website at cepnet.com/visionfund.

Mutual Funds

CEP partners with Envoy Financial to provide mutual funds as part of your 403(b) investment options (listed below; fund offerings subject to change). You can find additional information about the mutual funds by entering the corresponding symbol into any financial website. Please read the fund prospectus(es) carefully before investing.
